However, the County Commission Chairperson may answer questions, provide information, and give explanations from the chair, the Commission not objecting.

If any doubt exists as to the vote, a member may ask that a roll call be taken by the Clerk and the results ascertained in that manner. On all appropriations measures a roll call vote shall be taken.
30. When a roll call vote is being taken, any member when his/her name is called, may "abstain". Every member shall be entitled to vote or change his/her vote at any time prior to the official announcement by the County Commission Chairperson of the final vote tally.
31. When the County Commission Chairperson is to receive nominations from the floor, a member may nominate one other person for each position. The floor will be kept open until every member has had the opportunity to nominate a person if he desires before nominations are closed.
- 32A. The ballots are cast by voice and a majority of the legal membership is required for election, except when the Commission is electing members to the Budget Committee, Finance Committee, Insurance Committee and the Wilson County Road Commission, when the elections shall be conducted by a paper ballot delivered to the County Clerk. The County Commission Chairperson, County Clerk and Chairman Pro-Tem shall then tally and certify the results. In all balloting, the votes, if signed, of each individual member shall be recorded.
- 32B. Before the Wilson County Commission votes or considers any motion or resolution regarding the elected position to be filled, the Chairman of the Wilson County Commission shall allow registered voters of the county an opportunity to

submit names to the County legislative body for consideration. The names may be submitted in writing to the Chair prior to the meeting or may be submitted in person at the meeting. For a name to be considered, a member of the County legislative body must subsequently nominate the person. Members of the County legislative body may also nominate a candidate or candidates to fill the office or vacancy without the name being submitted by a voter. Nominations do not require a second. If the person nominated is not present at the meeting, the person making the nomination shall submit a signed statement from the nominee that the nominee is willing to serve in the position if appointed.

After nominations cease, the Wilson County Commission may discuss the nominations and may, at the discretion of the Chairman of the County Commission, interview nominees or allow nominees the opportunity to address the Wilson County Commission. Upon motion passed by majority of the members, the vote to make the appointment may be postponed to a subsequent meeting, provided that adequate public notice of the meeting is given in accordance with State law.

To receive an appointment, a nominee must receive the votes of a majority of the members of the County legislative body eligible to vote on the appointment.

Where there are multiple nominees for an appointment and no nominee receives a majority of the votes after the initial vote, the nominee receiving the lowest vote total, or nominees if there is a tie, shall have their name(s) removed from eligibility for election on the next ballot.

Where multiple nominees still remain, the following procedure will be followed on each vote until a nominee has received the votes of the majority of the members of the County legislative body eligible to vote on the appointments, or only two nominees remain. At that time, the Wilson County Commission shall continue to vote until one nominee

receives the votes of a majority of the members of the County legislative body eligible to vote on the appointment. Should three (3) nominees remain, and the bottom two tie, neither shall have their name removed, so long as they remained tied.

No secret balloting shall be permitted. Each vote shall be conducted by paper ballot delivered to the County Clerk. The County Mayor, the County Clerk and Chairman Pro-Tem, shall then tally and certify the results. The vote of each district will be read out loud with the candidate that the vote is cast for as well as the district that placed the vote. Each member's vote regarding the appointment process shall be recorded by the Clerk and entered on the minutes of the County legislative body.

A tie vote of the Wilson County Commission regarding an appointment may be broken in the same manner that other tie votes of the body may be broken.

If any provision of this rule should ever conflict with State law, then the applicable provision of State law shall control.

33. If no one shall be elected on a given ballot, then the balloting shall continue until a nominee receives the votes of a majority of the entire membership of the Commission.
