Affidavit of Compliance
Building Envelope Air Tightness & Insulation Installation
2009 International Energy Conservation Code, Section 402.4.2

I, the undersigned, hereby swear and/or affirm that I have cause to have, or have personally field verified, that all requirements laid out in Section 402.4.2 of the 2009 IECC (and further described in Table 402.4.2 of the same code) have been installed in compliance with the aforementioned code for the property and project documented below.

As affiant and/or general contractor of record for the documented property below, I fully understand and agree that Wilson County reserves the right to utilize any legal options available to insure full compliance with said requirements.
